

SCCC Para-pipeline Math Program Application Instructions:

Step 1: Apply for general school admission to SCCC

<http://seattlecentral.edu/getstarted/index.php>

Step 2: Take COMPASS English placement test. Take as soon as possible, if you have not had college level English etc. You will receive your Compass English test score from the testing department immediately after you take the test in person. You will then need to submit your English test score to Teacher Training Programs with any transcripts.

Step 3. Contact TT/EDU (587-3895) to arrange to take a special paper based math placement test in the testing dept. Allow three hours for test. Testing center hours are 8-4:30. \$ 15.00 fee per test. Picture ID required. Your math test will be scored by math faculty and automatically submitted to the Teacher Training department.

Step 3. August 31 deadline submit to Teacher Training/Education Programs:

- 1. Formal College Transcripts**
- 2. English Test scores**
